

Make a Donation to support OutTakes Film Festivals

If you are passionate about seeing queer lives represented on film in movie theatres, Reel Queer is giving you the opportunity to help us make a difference. As a supporter of OutTakes Film Festival you will be aware of the power of queer films – reminding us who we are, informing and transforming people both in and outside of our communities, and advancing our movement for equal rights.

Our all-volunteer team works hard fundraising and finding sponsorship and advertising revenue from organisations and businesses. Large upfront costs, and increasing film and freight costs, mean that we struggle to fund the operational costs of each Out Takes festival.

We are asking you for help so we can continue to produce a full OutTakes Film Festival each year.

You can help by giving a one-off or regular donation. **All donations are gratefully accepted.**
